MEMORANDUM FOR: AD/DCI/NIPE

SUBJECT: Revision of COMOR DCID

25X1C

I see no basic need for a revision of the DCID establishing COMOR. Our charter is quite flexible and capable of adjusting to meet further changes in COMOR responsibilities. On the other hand if the DCID proposed by the [REDACTED] is published, there will probably be a need for some revision of the COMOR charter to clarify the delineation of responsibilities between COMOR and the proposed COMEX.
